

Alabama House of Representatives

Benefits

The Alabama House of Representatives offers a competitive employee benefits package. Fulltime employees are eligible for medical, dental, prescription drug, vision and other supplemental benefits on their first day of employment. Fulltime employees participate in the Employees' Retirement Plan, receive 13 paid holidays each year, and accrue sick and annual leave. Other benefits include the following: direct deposit payroll; Employee Assistance Program; flexible spending accounts; wellness screenings; flu shots; voluntary deferred compensation plans; and professional development courses.
