2 3 4 SYNOPSIS: Under existing law, contracts for public works 5 6 involving an amount in excess of \$50,000 are subject to 7 the public works competitive bid procedures. 8 This bill would increase the threshold amount to 9 \$100,000 and would authorize an additional increase to the amount based on increases in the Consumer Price 10 11 Index. This bill would authorize the use of electronic 12 13 means to provide certain required notices. This bill would also authorize the use of 14 15 electronic sealed bids. Section 111.05 of the Constitution of Alabama of 16 17 2022, prohibits a general law whose purpose or effect 18 would be to require a new or increased expenditure of 19 local funds from becoming effective with regard to a 20 local governmental entity without enactment by a 2/3 21 vote unless: it comes within one of a number of 22 specified exceptions; it is approved by the affected 23 entity; or the Legislature appropriates funds, or 24 provides a local source of revenue, to the entity for 25 the purpose. 26 The purpose or effect of this bill would be to

require a new or increased expenditure of local funds within the meaning of the amendment. However, the bill

| 29 | does not require approval of a local governmental              |
|----|--|
| 30 | entity or enactment by a 2/3 vote to become effective          |
| 31 | because it comes within one of the specified exceptions        |
| 32 | contained in the amendment.                                    |

| 35 | A BILL   |
| 36 | TO BE ENTITLED   |
| 37 | AN ACT   |
| 38 |  |
| 39 | Relating to public works contracts; to amend Sections          |
| 40 | 39-1-1, 39-2-1, 39-2-2, and 39-2-6, Code of Alabama 1975, to   |
| 41 | increase the threshold dollar amount for which competitive     |
| 42 | bidding is generally required; to further provide for certain  |
| 43 | notice procedures; to authorize the publication of notice by   |
| 44 | electronic means; to authorize the use of electronic sealed    |
| 45 | bids; to authorize certain statutory dollar amounts to be      |
| 46 | increased based on increases in the Consumer Price Index; and  |
| 47 | in connection therewith would have as its purpose or effect    |
| 48 | the requirement of a new or increased expenditure of local     |
| 49 | funds within the meaning of Section 111.05 of the Constitution |
| 50 | of Alabama of 2022.  |
| 51 | BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:                   |
| 52 | Section 1. Sections 39-1-1, 39-2-1, 39-2-2, and 39-2-6,        |
| 53 | Code of Alabama 1975, are amended to read as follows:          |
| 54 | "§39-1-1   |
| 55 | (a) Any person entering into a contract with an                |
| 56 | awarding authority in this state for the prosecution of any    |

69 (b) Any person that has furnished labor, materials, or 70 supplies for or in the prosecution of a public work and 71 payment has not been made may institute a civil action upon the payment bond and have their rights and claims adjudicated 72 73 in a civil action and judgment entered thereon. 74 Notwithstanding the foregoing, a civil action shall not be 75 instituted on the bond until 45 days after written notice to 76 the surety of the amount claimed to be due and the nature of the claim. The civil action shall be commenced not later than 77 78 one year from the date of final settlement of the contract. The giving of notice by registered or certified mail, postage 79 80 prepaid, addressed to the surety at any of its places of 81 business or offices shall be deemed sufficient under this 82 section. In the event the surety or contractor fails to pay the claim in full within 45 days from the mailing of the 83 84 notice, then the person or persons may recover from the

85 contractor and surety, in addition to the amount of the claim, 86 a reasonable attorney'sattorney fee based on the result, 87 together with interest on the claim from the date of the 88 notice.

89 (c) Every person having a right of action on the last 90 described bond as provided in this section shall, upon written 91 application to the authority under the direction of whom the 92 work has been prosecuted, indicating that labor, material, 93 foodstuffs, or supplies for the work have been supplied and 94 that payment has not been made, shall be promptly furnished a 95 certified copy of the additional bond and contract. The claimant may bring a civil action in the claimant's name on 96 97 the bond against the contractor and the surety, or either of 98 them, in the county in which the work is to be or has been 99 performed or in any other county where venue is otherwise allowed by law. 100

101 (d) In the event a civil action is instituted on the 102 payment bond, at any time more than 15 days before the trial 103 begins, any party may serve upon the adverse party an offer to 104 accept judgment in favor of the offeror or to allow judgment 105 to be entered in favor of the offeree for the money or as 106 otherwise specified in the offer. If within 10 days after the 107 service of the offer, the adverse party serves written notice 108 that the offer is accepted, either party may then file the 109 offer and notice of acceptance together with proof of service and the clerk of the court shall enter judgment. An offer not 110 accepted shall be deemed withdrawn and evidence of the offer 111 112 shall not be admissible. If the judgment finally obtained by

113 the offeree is less favorable than the offer, the offeree shall pay the reasonable attorney's attorney fees and costs 114 115 incurred by the offeror after the making of the offer. An 116 offer that is made but not accepted does not preclude a 117 subsequent offer. When the liability of one party to another party has been determined by verdict, order, or judgment, but 118 119 the amount or extent of the liability remains to be determined 120 by further proceedings, any party may make an offer of 121 judgment, which shall have the same effect as an offer made before trial if the offer is made no less than 10 days prior 122 123 to the commencement of hearings to determine the amount or extent of liability. 124

447 (a) The contract shall be awarded to the lowest448 responsible and responsive bidder, unless the awarding

449 authority finds that all the bids are unreasonable or that it 450 is not to interest of the awarding authority to accept 451 any of the bids. A responsible bidder is one who, among other 452 qualities determined necessary for performance, is competent, 453 experienced, and financially able to perform the contract. A 454 responsive bidder is one who submits a bid that complies with 455 the terms and conditions of the invitation for bids. Minor 456 irregularities in the bid shall not defeat responsiveness. The 457 bidder to whom the award is made shall be notified by telegram, confirmed facsimile, electronic mail, or letter at 458 459 the earliest possible date. If the successful bidder fails or refuses to sign the contract, to make bond as provided in this 460 461 chapter, or to provide evidence of insurance as required by 462 the bid documents, the awarding authority may award the 463 contract to the second lowest responsible and responsive bidder. If the second lowest bidder fails or refuses to sign 464 465 the contract, make bond as provided in this chapter, or to 466 provide evidence of insurance as required by the bid 467 documents, the awarding authority may award the contract to 468 the third lowest responsible and responsive bidder.

469 (b) If no bids or only one bid is received at the time 470 stated in the advertisement for bids, the awarding authority 471 may advertise for and seek other competitive bids, or the 472 awarding authority may direct that the work shall be done by 473 force account under its direction and control or, with the 474 exception of the Department of Transportation, the awarding authority may negotiate for the work through the receipt of 475 476 informal bids not subject to the requirements of this section.

Where only one responsible and responsive bid has been received, any negotiation for the work shall be for a price lower than that bid.

480 (c) When With the exception of the Department of 481 Transportation, when two or more bids are received, and all 482 bids exceed available funding for the contract, a local board 483 of education or a public two-year or four-year institution of 484 higher education the awarding authority may negotiate for the 485 work with the lowest responsible and responsive bidder, provided that the local board of education or public two-year 486 487 or four-year institution of higher education awarding authority can document the shortage of funding, that time is 488 489 of the essence, and that the negotiated changes are in the 490 public interest and do not materially alter the scope and 491 nature of the project.

(d) If the awarding authority finds that all bids received are unreasonable or that it is not to the interest of the awarding authority to accept any of the bids, the awarding authority may direct that the work shall be done by force account under its direction and control.

497 (e) On any construction project on which the awarding 498 authority has prepared plans and specifications, has received 499 bids, and has determined to do by force account or by 500 negotiation, the awarding authority shall make available the 501 plans and specifications, an itemized estimate of cost, and 502 any informal bids for review by the Department of Examiners of Public Accounts and, upon completion of the project by an 503 504 awarding authority, the final total costs together with an

505 itemized list of cost of any and all changes made in the 506 original plans and specifications shall also be made available 507 for review by the Department of Examiners of Public Accounts. 508 Furthermore, the above described information shall be made 509 public by the awarding authority upon request. Upon the 510 approval of the awarding authority, its duly authorized 511 officer or officers, when proceeding upon the basis of force 512 account, may let any subdivision or unit of work by contract 513 on informal bids.

(f) No provision of this section shall be interpreted as precluding the use of convict labor by the awarding authority. This section shall not apply to routine maintenance and repair jobs done by maintenance personnel who are regular employees of the awarding authority, nor shall it apply to road or bridge construction work performed by an awarding authority's regular employees and own equipment.

(g) No contract awarded to the lowest responsible and responsive bidder shall be assignable by the successful bidder without written consent of the awarding authority, and in no event shall a contract be assigned to an unsuccessful bidder whose bid was rejected because he or she was not a responsible or responsive bidder.

(h) Any agreement or collusion among bidders or prospective bidders in restraint of freedom of competition to bid at a fixed price or to refrain from bidding or otherwise shall render the bids void and shall cause the bidders or prospective bidders to be disqualified from submitting further bids to the awarding authority on future lettings. Any bidder

533 or prospective bidder who willfully participates in any 534 agreement or collusion in restraint of freedom of competition 535 shall be guilty of a felony and, on conviction thereof, shall 536 be fined not less than five thousand dollars (\$5,000) nor more 537 than fifty thousand dollars (\$50,000) or, at the discretion of 538 the jury, shall be imprisoned in the penitentiary for not less 539 than one nor more than three years.

(i) Any disclosure in advance of the terms of a bid submitted in response to an advertisement for bids shall render the proceedings void and require advertisement and award anew.

(j) The lowest responsible and responsive bidder on a 544 545 public works project may be determined to be the bidder 546 offering the lowest life cycle costs. The lowest responsible 547 and responsive bidder shall otherwise meet all of the conditions and specifications contained in the invitation to 548 549 bid, except that a bidder may still be considered responsive 550 if he or she responds with a bid using different construction 551 materials than those specified in the invitation to bid if the 552 materials' use would result in lower life cycle costs for the 553 public works project. To utilize this provision to determine 554 the lowest responsible and responsive bidder, the awarding 555 authority must include a notice in the invitation to bid that the lowest responsible and responsive bidder may be determined 556 557 by using life cycle costs, and must also include in the 558 invitation to bid the criteria under which it shall evaluate the life cycle costs." 559
