4

5           Replace line 70 on page 3 with the following:

6           adult.

7           (e) No third-party individual or entity may require an

8           adult to execute a supported decision-making agreement

9           for any purpose. For the purposes of this act, the

10          term "third-party individual or entity" does not

11          include a guardian or conservator.
