

FISCAL NOTE

Senate Bill 261

Committee: Fiscal Responsibility and Economic Development Sponsor: Senator Dan Roberts

Analyst: Jennifer Farish

Date: 05/03/2023

Senate Bill 261 as introduced could increase the administrative obligations of the Attorney General to seek to: (1) prohibit the adoption of federal laws, rules, and federal actions that may penalize, inflict harm, or limit commercial relations or activities of a company or resident based on economic boycott criteria; and (2) enforce the provisions of this bill.

In addition, this bill could increase the receipts to the State General Fund, by an undetermined amount, dependent upon the number of companies that violate the provisions of this bill and the amount of damages required to be paid, pursuant to the provisions of this bill.
