Senate Bill 238 as introduced proposes a constitutional amendment which, if ratified, could increase the administrative costs of local boards of education by an undetermined amount to establish policies requiring public K-12 schools to broadcast "The Star-Spangled Banner" at least once a week during school hours.

In addition, this bill will increase the proclamation expenses of the Governor, paid from the State General Fund, by an estimated \$100,000 for the fiscal year ending September 30, 2024.
