**House Bill 302** as reported by the Committee on Boards, Agencies and Commissions could increase receipts to the Alabama Board of Electrical Contractors Fund in the State Treasury by an undetermined amount dependent upon any additional civil penalties issued by the board of up to \$5,000 as provided by this bill.

Further, this bill would codify the current practice of the Board of examination and issuance of provisional licenses. The provisional license fee currently set by board rule is \$75, and according to the board, there are currently 528 active and 130 inactive provisional licensees. According to the Department of Examiners of Public Accounts, the Board collected \$40,200 in provisional license fees in Fiscal Year 2020.
