

## **FISCAL NOTE**

## **Senate Bill 139**

Committee: Banking and Insurance Sponsor: Senator Shay Shelnutt

Analyst: Jennifer Farish Date: 04/04/2023

**Senate Bill 139** as introduced would decrease receipts to the State General Fund and Insurance Department Fund by less than \$1,000 annually, respectively, as estimated by the Department of Insurance, due to: (1) the repeal of prelicensing course requirements, including the course provider fee, set by the Commissioner of Insurance, of up \$100; and (2) the prohibition of issuance of new service representative licenses, which license fee is \$70 biennially, as set by statute.
