Senate Bill 206 as reported by the Committee on Judiciary could increase receipts to the State General Fund from fines; increase receipts to the State General Fund, county general funds, municipal general funds, and other funds to which court costs are deposited; and could increase the obligations of the State General Fund, local jails, the district attorneys, the Department of Corrections, the Board of Pardons and Paroles, and community corrections programs by an undetermined amount dependent upon the number of persons charged with and convicted of the offenses provided by this bill and the penalties imposed.

In addition, this bill could increase the administrative obligations of the Office of Prosecution Services, Office of the Attorney General, and the Alabama Law Enforcement Agency to coordinate with the Alabama Association of Chiefs of Police, the Alabama Sheriffs Association, the Alabama Grocers Association, and the Alabama Retail Association to develop certain training for prosecutors and law enforcement agencies and provide recommendations to the Legislature and Governor regarding public safety and prevention of organized retail crime.
