FISCAL NOTE
Senate Bill 291

Committee: Fiscal Responsibility and Economic Development

Sponsor: Senator Merika Coleman

Analyst: Riley Aaron

Date: 05/10/2023

Senate Bill 291 as introduced removes computer programs and software applications purchased by certain State and Local Agencies from the competitive bidding process. This bill could increase or decrease the purchase prices of computer programs and software applications procured by these entities, depending on the difference (1) in the cost of products procured under the provisions of this bill and (2) the cost otherwise obtained under current law.
