
RFD: Ways and Means Education

First Read: 16-May-23

2023 Regular Session
SYNOPSIS:

Under existing law, the state imposes sales or use taxes upon certain persons, firms, or corporations. Sales of certain items are taxed at a reduced rate. "Food" is not a defined term and is taxed at the general rate. Sales of other items are exempt from the taxes.

This bill would define "food" for purposes of sales and use taxes and begin reducing the state sales and use tax on food on September 1, 2023. Future rate reductions would be contingent upon certain growth requirements in the Education Trust Fund.

This bill would establish the sales and use tax rate on food for purposes of county and municipal sales and use taxes as the existing general or retail sales tax rate on the effective date of this act and allow a county and municipal election to reduce the sales tax rate or exempt food from local sales and use taxes.

A BILL TO BE ENTITLED AN ACT Relating to sales taxes; to amend Section 40-23-1, as
last amended by Acts 2022-199 and 2022-291, 2022 Regular Session, Code of Alabama 1975, Section 40-23-2, as last amended by Act 2022-346, 2022 Regular Session, Code of Alabama 1975, Section 40-23-60, as last amended by Act 2022-199, 2022 Regular Session, Code of Alabama 1975, and Section 40-23-61, Code of Alabama 1975, to define "food" and begin reducing the state sales and use tax on food on September 1, 2023; to require certain growth targets in the Education Trust Fund for future sales tax reductions on food; to establish the sales and use tax rate on food for purposes of county and municipal sales and use taxes as the existing general or retail sales and use tax rate; and to authorize a county and municipality to reduce the sales and use tax rate or exempt food from local sales and use taxes.

however, that any person engaging or continuing in business as

for the used part or tire taken in trade, provided, however,
this provision shall not be construed to include batteries.

places and public dance halls of every kind and description within the State of Alabama, an amount equal to four percent of the gross receipts of any such business. Provided, however, notwithstanding any language to the contrary in the prior portion of this subdivision, the tax provisions so specified shall not apply to any athletic event conducted by a public or nonpublic primary or secondary school or any athletic event conducted by or under the auspices of the Alabama High School Athletic Association. The tax amount which would have been collected pursuant to this subdivision shall continue to be collected by the public or nonpublic primary or secondary school, but shall be retained by the school that collected it and shall be used by the school for school purposes.

(3) Upon every person, firm, or corporation engaged or continuing within this state in the business of selling at retail machines used in mining, quarrying, compounding, processing, and manufacturing of tangible personal property an amount equal to one and one-half percent of the gross proceeds of the sale of the machines. The term "machine," as herein used, shall include machinery which is used for mining, quarrying, compounding, processing, or manufacturing tangible personal property, and the parts of the machines, attachments, and replacements therefor, which are made or manufactured for use on or in the operation of the machines and which are necessary to the operation of the machines and are customarily so used.

(4) Upon every person, firm, or corporation engaged or continuing within this state in the business of selling at
retail any automotive vehicle or truck trailer, semitrailer, or house trailer, or mobile home set-up materials and supplies including but not limited to steps, blocks, anchoring, cable pipes, and any other materials pertaining thereto, an amount equal to two percent of the gross proceeds of sale of the automotive vehicle or truck trailer, semitrailer, or house trailer, or mobile home set-up materials and supplies provided, however, where a person subject to the tax provided for in this subdivision withdraws from his or her stock in trade any automotive vehicle or truck trailer, semitrailer, or house trailer for use by him or her or by his or her employee or agent in the operation of the business, there shall be paid, in lieu of the tax levied herein, a fee of five dollars ($5) per year or part thereof during which the automotive vehicle, truck trailer, semitrailer, or house trailer shall remain the property of the person. Each year or part thereof shall begin with the day or anniversary date, as the case may be, of such withdrawal and shall run for the 12 succeeding months or part thereof during which the automotive vehicle, truck trailer, semitrailer, or house trailer shall remain the property of the person.

Where any used automotive vehicle or truck trailer, semitrailer, or house trailer is taken in trade or in a series of trades, as a credit or part payment on the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is, the price of the new or used vehicle sold less the credit for the used vehicle taken in trade.

Sales of automobiles, motorcycles, trucks, truck
trailers, travel trailers, campers, housecars, or semitrailers that will be registered or titled outside Alabama, that are exported or removed from Alabama within 72 hours by the purchaser or his or her agent for first use outside Alabama are subject to Alabama sales tax in an amount equal to only the state automotive sales tax rate, unless the sales tax laws of the state in which the purchaser will title or register the vehicle allows an Alabama resident to purchase a motor vehicle for first titling and registering in Alabama without the payment of tax to that state. However, in no case shall the amount of Alabama state sales tax due on a motor vehicle that will be registered or titled for use in another state exceed the amount of sales tax that would otherwise have been due in the state where the vehicle will be registered or titled for first use. In order to qualify as a travel trailer, camper, or housecar that will be registered or titled for use in another state, the purchaser must provide documentation to the seller that the purchaser is not a resident of Alabama as required by the Department of Revenue. No such proof is required in the sale of an automobile, motorcycle, truck, truck trailer, or semitrailer, excluding a travel trailer, camper, or housecar. The tax collected under this export provision shall be Alabama sales tax and shall exclude county and municipal sales tax. On January 1, 2016, and each January 1 thereafter, the Alabama Department of Revenue shall publish to the state's website a list of states that do not allow drive out provisions to Alabama residents. Should the list, required by this subsection and relied upon by the taxpayer, be incorrect, the
taxpayer shall be relieved from the liability concerning the
miscollection of the state automotive sales tax. Sales of all
other vehicles such as mobile homes, motor bikes, all terrain
vehicles, and boats do not qualify for the export exemption
provision and are taxable unless the dealer can provide
factual evidence that the vehicle was delivered outside of
Alabama or to a common carrier for transportation outside
Alabama. In order for the sale to be exempt from Alabama tax,
the information relative to the exempt sale shall be
documented on forms approved by the Revenue Department.

Of the total $.02 tax on each dollar of sale provided
hereunder, 58 percent of the total tax generated by this
subdivision (4) shall be deposited to the credit of the
Education Trust Fund and 42 percent of the total tax generated
by this subdivision (4) shall be deposited to the credit of
the State General Fund.

(5) Upon every person, firm, or corporation engaged or
continuing within this state in the business of selling
through coin-operated dispensing machines, food and food
products for human consumption, not including beverages other
than coffee, milk, milk products, and substitutes therefor,
there is levied a tax equal to three percent of the cost of
the food, food products, and beverages sold through the
machines, which cost for the purpose of this subdivision shall
be the gross proceeds of sales of the business.

(6) Upon every person, firm, or corporation engaged or
continuing within this state in the business of selling food
as defined in Section 40-23-1, there is a tax levied equal to
four percent. Beginning September 1, 2023, the tax rate shall be reduced to three and one-half percent. On November 1, 2024, and on November 1 of every year thereafter until the tax rate is two percent, the tax rate shall be reduced by one-half of one percent. Provided, however, the rate of tax shall only be reduced if the growth in total net receipts from all revenue sources to the Education Trust Fund in the immediately preceding fiscal year was at least two percent more than the prior fiscal year."
