

## FISCAL NOTE

### Senate Bill 90

Committee: Agriculture, Conservation, and Forestry    Sponsor: Senator David Sessions

Analyst: Tiffany Weaver

Date: 02/19/2024

---

**Senate Bill 90** as introduced would provide that all fines and other monies collected from food service establishments violating country of origin labeling requirements for certain seafood shall be distributed to the Alabama Department of Public Health to implement this program. This bill will not otherwise affect state or local funding.
