3 SYNOPSIS:

4 Under existing law, various fraudulent activities by persons engaged in the transaction of the 5 business of insurance constitute insurance fraud. The 6 7 Department of Insurance is delegated the duty to enforce insurance fraud laws and to investigate 8 9 violations. The statute of limitations on bringing a charge for a violation is two years after the fraud was 10 11 detected.

12 This bill would increase the statute of 13 limitations to seven years after the fraud was 14 detected.

Also, under existing law, the Insurance Fraud Unit is established within the department to investigate alleged violations. Investigators of the Insurance Fraud Unit have the power vested in law enforcement officers including the power of arrest.

20 This bill would delete a limitation in existing 21 law limiting the power of the investigators only to 22 powers necessary for enforcement of this chapter.
