Replace line 1300 on page 47 with the following:

the commission.

§41-30-107

(a) The enforcement division may request assistance from any state, county, or local law enforcement agency for assistance in the investigation of any violation of this chapter, any gambling law, or rule of the commission.

(b) The commission shall reimburse a state, county, or local law enforcement agency that participates in any investigation of a person or other entity for a violation of this chapter, any gambling law, rule of the commission, or the general laws of this state which occurs on the premises of a licensee of the commission or which occurs at any other venue where lawful gambling activity, gambling-related activity, unlawful gambling activity, or charitable game is occurring. Any reimbursement costs shall be paid as operating expenses of the commission.
